

## Sample Expert Contact Script

Hi \_\_\_\_\_,

My name is \_\_\_\_\_ and I'm a student at \_\_\_\_\_. I am working on a project about \_\_\_\_\_.

I'm sending a brief note to you in hopes that you would be able to spend 15-20 minutes sharing your knowledge and giving feedback on my thoughts so far. Do you think I can pick your brain about your job/research and how my project might work? I'd really appreciate learning from an expert in the field.

\_\_\_\_\_

I can talk to you over the phone, or over email—whatever is most convenient for you.

Thanks,

\_\_\_\_\_

*\*Here you should include a description of your project. Guiding things to consider:*

- What is your disease?
- Does your project focus on research or treatment?
- What is your proposed research/treatment method?
- How are you using nanotechnology?
- Where do you have questions in your process that your professional might be able to answer?
